

## Garton on the Wolds Parish Council

Would like to invite you to a village information and discussion night.

- Would you like to see any improvements made to the village pond in order to give the village a much needed amenity area?
- Have you any ideas to give us on what you would like to see?
- If you cannot make the evening please feel free to email your ideas to the Clerk at [Garton.clerk@hotmail.co.uk](mailto:Garton.clerk@hotmail.co.uk) or alternatively speak to one of our councillors.
- The council will give a presentation on our ideas and then we would like to hear yours.

Please come along for an informal and friendly discussion, we would love to meet you all and hear your views and ideas.

There will also be a discussion about the upcoming possibility of fracking in our area.

The meeting will be held on a 'drop in' basis on the 18<sup>th</sup> January 2017 from 6.30pm in the school.

**THANK YOU.**
